Certificate of Residency

***Refer to Education Law, Section 6301 paragraph 4, and Section 6305.**

Requirements

In order to have Saratoga County participate in the cost of his or her community college education, a student must obtain a Certificate of Residency and submit it to the college. Military personnel on active duty, as well as their spouses and dependants, are entitled to the lower "Resident" rate directly from the college; they do not need a Certificate of Residency.

A student must apply for a certificate no sooner than 60 days prior to the start of classes and no later than 30 days after the college's first day of classes. Certificates are valid for semesters that begin within one year from the date of issue. A valid certificate is required for each community college attended.

Students can obtain a certificate in person at the County Treasurer's Office. Students residing at their current address for at least twelve consecutive months, without moving, may obtain a certificate from their town or city clerk prior to the cut off date. Cut off dates are dictated by the start of classes at each college and will vary. Town and city clerks are only authorized to issue certificates until the start of classes at the college. Students applying for a certificate after the beginning of the college semester must apply at County Treasurer's office. An application will be accepted from an individual other than the student only if the student's signature on the affidavit has been notarized.

Eligibility

- ❖ A student must be a continuous resident of New York State for one year immediately preceding the date of application, **AND**
- ❖ A student must have been a resident of Saratoga County for at least one month within the six months immediately preceding the date of application. A student that has not been a resident of Saratoga County for that entire six-month period must obtain a certificate from each county of residence within the six-month period.

- ❖ No claim of residency will be accepted solely on your testimony or that of your parents, relatives, friends or other individuals.
