

2016 Clinic Dates:

March 22nd	July 5th	October 18th
April 19th	July 19th	November 15th
May 17th	August 23rd	
June 14th	September 13 th	

Clinic Location:

4-H Training Center

556 Middle Line Road
Ballston Spa, NY 12020

Times:

Cats are from 7:00 pm until 8:00 pm and the cats must be in carriers.

Dogs are from 8:00 pm until 9:00 pm and the dogs must be on a leash.

Domestic Ferrets from 7:00 until 9:00 pm and must be in a cage or carrier.

The cost of the rabies clinics is free; however, donations are accepted. All vaccination certificates are written for one year. If a previous signed certificate is produced, a three year certificate will be written.

General Rabies Information:

Animal rabies continues to be a serious public health problem in New York State. If you, a family member, or a pet comes in contact with an animal that could be a rabies suspect, you should contact Saratoga County Public Health at 584-7460. They will advise you what to do.

Rabies can be carried by any wild mammal (raccoon, skunk, fox, coyote, or bat). There are also precautionary measures taken if you are bitten by a domestic animal (dog, cat or ferret). If this happens, you should first obtain the owner's name, address and phone number. Then contact the Saratoga County Public Health Department at 584-7460.
