

Local Law #2 of 2016

A Local Law Amending Local Law #4 of the year 2006 is hereby Amended as follows:

Article II B. Definitions

Accessory Solar Collection System. A solar voltaic cell, panel or array, or solar hot air or water collector device which relies upon solar radiation as an energy source for collection, inversion storage and distribution of solar energy for electricity generation or transfer of stored heat, solely for use on the premises on which such structures are erected and which are secondary to the use of the premises for other lawful purposes. Accessory Solar Collection Systems may be either Rooftop/Building mounted Solar Collection Systems or Freestanding/Ground-mounted Solar Collection Systems.

Accessory Freestanding/Ground-mounted Solar Collection System. An Accessory Solar Collection System that is directly installed on the ground.

Accessory Rooftop/Building mounted Solar Collection System. An Accessory Solar Collection System that is mounted on a roof or wall of a principal or accessory building and which does not extend more than 4 feet above the roof or out from the wall of such building.

Article XI. SUPPLIMENTAL REGULATIONS

K. Special Lot Regulations

5. Nothing in this section shall be construed as automatically reducing the Area & Bulk requirements of Attachment A hereof established for Accessory Freestanding/Ground-mounted Solar Collection Systems or Accessory Rooftop/Building mounted Solar Collection Systems,
