

**Town of Northumberland
Public Hearing Notice**

Notice is hereby given that a Public Hearing will be held by the Town of Northumberland Town Board on February 10, 2022 @ 8:10 AM at the Town of Northumberland Town Hall, 17 Catherine Street, Gansevoort, NY to hear all persons interested regarding a proposed Local Law entitled “ A Local Law for Flood Damage Prevention as authorized by the New York State Constitution, Article IX, Section 2 and Environmental Conservation Law, Article 36” under consideration by the Town Board. Anyone wishing to speak may do so in person or in writing. A copy of the proposed Local Law is available at the Town Clerk’s Office which is located at 17 Catherine Street, Gansevoort during regular business hours or on the Town’s website at <https://www.townofnorthumberland.org>

The Town Board of the Town of Northumberland presently has a local law regulating floodplains and development therein. The local law is a requirement for Northumberland residents to qualify for flood insurance. Due to the passage of time certain aspects of the law need to be updated to comply with federal and state requirements and changes to the building code. Accordingly, the prior law is being rescinded and replaced with the proposed local law.
