Case 1230142

Mr. Chad M. Cooke, P.E.
Commissioner of Public Works
Saratoga County Public Works Facility
3654 Galway Road
Ballston Spa, NY 12020-2517

**RE: SPEED LIMIT REQUEST
TERREL HILLS AREA
TOWN OF NORTHUMBERLAND
SARATOGA COUNTY**

Dear Mr. Cooke:

This is in response to your November 1, 2022 letter to our office requesting a speed limit reduction in the Terrel Hills subdivision located off of Taylor Road and Colebrook Road in the Town of Northumberland. We apologize for the extended delay in our response.

Currently, the Terrel Hills subdivision, including Cook Circle, Cramer Path, Baker Drive, Tatham Trace, Merchant Road, Yandell Yard, Terrel Way and Kingsley Road, is governed by an area 30 MPH speed limit that was established by this office in 1985 and expanded in 2005. We investigated the roads requested and determined that a reduction of the area speed limit is warranted at this time. A Notice of Order has been written for an area 25 MPH speed limit for the Terrel Hills subdivision. As soon as you receive this Order, which is being processed by the Secretary of State, you may arrange to have the appropriate speed limit signs installed.

Thank you for bringing your concerns for safety to our attention. If you have any questions concerning this investigation, please contact Kelley Kircher of this office at 518-457-5283.

Sincerely,

Michael W. Fenley, P.E.
Regional Traffic Engineer

cc: D. Murphy, Town Clerk, Town of Northumberland
